* This year's film festival will feature **4 comedy films produced by the COB students**, utilizing some of the **most influential leadership theories** to explore how **emotionally intelligence** can help tackling loneliness among university students. **Dr. Ryan Fuller**, an academic expert on positive communication from **College of Business at the Sacramento State**, and **Ms. Elisabeth Nunziato**, an acclaimed director and actor from **NK Media** will provide a live commentary on each film. There will be an **interactive forum**, with the audience, too, to integrate these films.

A jury panel will choose the **Best Film**.

This event is sponsored by the **Dean's Office** at the **COB**.
