

New careers, skills and remote work post-Covid

April 20th, 2021, 16:00-18:00 CEST

Join our fourth Online Dialogue on **April 20th, 2021, 16:00-18:00 CEST** and explore the lasting impact of the pandemic on labor demand, the mix of occupations, and the workforce skills required together with:

- **Anu Madgavkar** is MGI Partner, McKinsey & Company and Author of “The Future of Work after COVID-19”.
- **Barbara Stöttinger** is Associate Professor at the Institute of International Marketing Management, and Academic Director for the Professional MBA Marketing & Sales at WU Vienna.
- **Michael Kötttritsch** is Head of the Management & Career Department of the Austrian newspaper Die Presse.

Please register for the Webinar [here](#).

Join us and take a deep dive into crucial aspects of the postpandemic economy:

1. Learn about the necessary **post-pandemic skillsets**
2. See how **companies are adapting to remote or hybrid work**
3. Explore **resilient career planning strategies**
